

# ProQuest Ebook Central™

Ebook Central provides access to e-books across academic and professional subject areas. It is a platform for e-books offering titles in a wide range of subjects featuring content from 650 of publishers. Enhanced functionality:

- Full-text search across catalog
- Online content review of each title for 5 minutes
- Online borrowing (free for WUT ML users)
- Accessing e-books online or downloading for offline reading on computers, tablets and other mobile devices
- Providing access to reading history and current loans through the personalized bookshelf
- Creating bookmarks and adding notes
- Possibility to print 40% of the book and copy 20% of the text

Books marked with an icon:

 **Available on request** - you can read this book for 5 minutes. Then, you can request access to this book for a specific period. Each request will be sent to the **ML Inter-Library Loan** for consideration and decision will be send to the user's email address. The cost of loan dependence on the period and will be covered by the WUT Main Library.

 **Available** - books owned by the WUT Main Library – can be accessed any time.

If you want to suggest a book for purchasing, please contact the section of Subject Librarians: [dziedzinowi@bg.pw.edu.pl](mailto:dziedzinowi@bg.pw.edu.pl)
